Be prepared. Airplanes will be shut down. Hotels will be shut down. It will be freezing so dress warmly. Looking at 30 degrees all the way down to the 10's at night.

Caravans are being made: <https://thedonald.win/p/11R4ucQt9Q/organizing-caravan-for-dc-marchi/c/>

Need patriots therein DC supplying amenities in case of emergency shutdowns. Think porta potties, hand sanitizer, meals, cheap warm clothes. They won't want you there and will do anything to keep you out so be ready for them.

Foliage will be frost burned hardwood in the parks and urban. Dress appropriately for late season weather.

Fun Fact- Washington DC was designed on a spoke and hub model radiating out avenues to traffic circles. If you hold these circles you can control traffic in and out of an area.

Hahaha.....what a fucking joke. If you and the other fucking morons think that Donald trump cares enough about you to offer you a discount at his hotel you are sorely mistaken. #1, he doesn't care if you come march in the streets for him, he doesn't even want to be president, he just wants you dumbfucks to keep donating to his PAC so he can grift off the money to keep paying off his pornstars. #2, there is no way he would let you lowlives set foot in his hotel. He only wants celebrities to stay there to make it look like important people care about him. Jesus fucking Christ you dumbshits are retarded. A discount at the trump hotel.....hahahahaha.....fuck that just made my day! Morons!

Speaking hypothetically, someone could land in an airport that is not under the regulation of DC. Then that person would only need to comply with TSA and Virginia's regulations instead of DC's ridiculous guidelines.

Oh man... I saw this post and that you were from California. I'm looking at flights and hotels to come show there's support from literal Hell, I mean Silicon Valley.

We need the foreign freedom lovers to show up as well, like the ones that comment here and like to comment that they wish there was something they can do to help the cause of freedom. Well now there is!

You're only a plane ticket away!

MD, Old Bay Pede here. DC is like 40 min away so I'll be there. I'll be with the America First crowd only fuck the other conservative grifters. Not interested in the TPUSA fags or Lady Maga circle jerk on "based" cross dressers.

Go to a local hardware store nearest to DC and buy some melee self-defense utilities if you can't have a gun
